It is not possible to process a request for a refund for nonquality issues outside of this 30day window. For purchases not made directly through Taotronics' online stores, please contact retailers for refunds. For qualityrelated issues, please see below. Products and parts replaced under this warranty become the property of TaoTronics and are not returned to you. Warranty coverage terminates if you sell or otherwise transfer the product. For example lightning strikes, tornadoes and similar TaoTronics shall not be liable for any incidental or consequential damages for the breach of any express or implied warranty on this product, including, but not limited to lost data, loss of use of your product, lost business or lost profits. TaoTronics products makes no other express warranties with respect to the product, all express and implied warranties for the product include but not limited to any implied warranties of and conditions of merchantability and fitness for a particular purpose, are limited in duration to the warranty period set forth above and no warranties, whether express or implied, will apply after the warranty period. Some states, provinces and jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state or province to province. All other products and brand names are trademarks of their respective owners. We will arrange shipment as soon as the delivery industry gets back to normal. Do not use delivery addresses for buildings that may be closed due to the current provisions e.g. schools. For any questions, please contact our customer service via the popup window on the page. Any expected delivery dates that may be given are only estimates. Orders can be delayed due to verification or the time the order has been placed. Orders may be delivered in separate shipments.

All purchases through Taotronics.com are made pursuant to a shipment contract. This means that the risk of loss and title for such items pass to you upon tender of the item to the carrier. Once your order has been prepared for shipment or has shipped, we are unable to change the shipping address. If a package is returned to us due to an incorrect or incomplete address provided by you the customer or your agent, we will contact you immediately for a correction, and the package will be reshipped at an additional shipping fee. You must include a daytime telephone number for all orders. Occasionally packages are returned to Taotronics as undeliverable. When the carrier returns an undeliverable package to Taotronics, please contact Taotronics to make arrangements for reshipment. Please check your email address. In addition, you can also check the shipping info through track order. Our goal is to provide you with a positive experience on our website www.taotronics.com "Website", while at the same time keeping your Personal Information secure. Please read this Privacy Policy to learn about the information that we may collect from you and how we use and protect your information. This means any information that can be used to identify a specific natural person directly or indirectly, either in isolation or in combination with other information. Some examples of Personal Information include a name, address, email address, phone number, any ID number or location data. When information is aggregated, it is combined with information about other customers and users. Aggregated information that includes Personal Information is considered Personal Information until it has been anonymized. When information is anonymized, the information can no longer be attributed to a specific natural person without the use of additional information, for example, how many users viewed a particular website video or advertisement, such information cannot be used to identify you.

<http://sinara.org.br/wp-content/plugins/formcraft/file-upload/server/content/files/1626c31d328b64---concrete-manual-bureau-of-reclamation.pdf>

In general, usage data collected when you visit the Website is both aggregated and anonymized so it does not identify you personally and therefore is not Personal Information. The Website is not directed to, nor does taotronics.com knowingly collect Personal Information from children under the age of 16 Sixteen, or equivalent minimum age in the relevant jurisdiction. If you fill in forms or

register an account on the Website or correspond with us by phone, email or social media account, you may be providing us with information about you, which may include Personal Information. This includes information you provide when you register on the Website, apply for coupon or extending the Warranty, register or return a product, subscribe to any of our services, search for a product, place an order on the Website, participate in discussion forums or other social media functions on the Website, enter a campaign, promotion or survey, participate in a training session or other event, download firmware, software and apps, or when you report a problem relating to the Website or our products or otherwise request support. Personal Information you give us may include your name, address, email address, phone number and other contact information any other information that can be used to personally identify you. Please note, we may use a third party payment processor such as Paypal to assist in securely processing your personally identifiable payment information. The credit card information that you provide is encrypted and transmitted directly to Paypal. We do not store your credit card information and do not control and are not responsible for Paypal or its collection or use of your information. You may find out more about how Paypal stores and uses your credit card information by accessing Paypal's privacy policy. We automatically collect information when you visit the Website, including Cookies to learn more about cookies, visit www.allaboutcookies.org

org are small text files that are sent to or accessed from your web browser or your computer's hard drive. A cookie typically contains the name of the domain internet location from which the cookie originated, the "lifetime" of the cookie i.e., when it expires and a randomly generated unique number or similar identifier. A cookie also may contain information about your computer, such as user settings, browsing history and activities conducted while using the Services. Without them, for example, you would not be able to register or log in for the Website. Generally analytics services do not identify individual users. Many analytics services allow you to opt out of data collection. We work closely with third parties who provide services to us including, for example, business partners, subcontractors in technical, payment and delivery services, advertising networks, analytics providers, search information providers, credit reference agencies and we may receive information about you from them. These purposes will be consistent with the reason you provided the information to us or for a directly related purpose. The uses we make of such information are to If you choose not to provide us with the Personal Information we need to provide you with a product or service, we will not be able to provide it. We only share your Personal Information with third parties for marketing purposes if you have granted us permission to do so, and in accordance with the Marketing section below. We share Personal Information in the following ways For example, when making purchases on the taotronics.com website stores, taotronics.com uses a payment processor to verify your payment card information. Your payment card information is passed through to the payment processor and is not collected or stored by taotronics.com. The payment processor is authorized to use this information only to authenticate your purchase and for no other purpose.

We only provide these third parties with the minimum amount of Personal Information necessary to complete or provide the requested service or transaction, and we do not allow third parties to use your Personal Information for a different purpose than what was disclosed to you; If taotronics.com merges with or acquires or is acquired by another entity, Personal Information would be transferred as a whole to the successor entity; Weve taken steps to ensure that this information cannot be linked back to you and we require third parties to keep all shared information in its anonymized form. We will take all reasonable steps to make sure these third parties comply with the same privacy principles that govern our collection of your Personal Information. We will inform you before collecting your Personal Information if we intend to use your Personal Information for marketing purposes, or if we intend to disclose your Personal Information to any third party for marketing purposes. Some choices are presented up front in the form of optin notices or acceptance boxes for marketing to you or sharing your Personal Information with third parties. You always have the choice to optout if you later change your mind. One form of optout is clicking the Unsubscribe link in

a marketing email. This will take you off our marketing email list. It may also be processed by taotronics.com staff or contractors operating outside your country of residence including, if you are in Europe, outside of the EEA who work for us or for one of our suppliers. Such staff may be engaged in, among other things, the fulfilment of your order, the processing of your payment details and the provision of support services. We also use cloudbased applications and services to store and process your Personal Information, which may result in your Personal Information being stored outside your country of residence. By providing your Personal Information to us, you fully understand that taotronics.

com will transfer, processing and storage of Personal Information outside of the country where you reside or are a citizen. This means we will still handle your information in the manner described in this Privacy Policy and in conformity with all applicable laws. This includes, where relevant, entering into EU standard contractual clauses or equivalent measures with the party outside the EEA available here You can access and update your Personal Information and communication preferences at any time in the following ways If you are outside the EEA, we may make a reasonable charge if records must be accessed from backed up or archived records. We will abide by your request unless we have compelling legitimate grounds for the processing which override your interests and rights, or if we need to continue to process the data to establish, exercise or defend legal claims. If you are in the EEA, this will be within one month of receipt, or, if further time is required, we will inform you of this and the reason for the delay. We may ask you to verify your identity before we can act on your request. If your Personal Information has been disclosed to a third party in accordance with this Privacy Policy, we will take reasonable steps to notify the third party of any updated information you provide to us. Please click here for a list of contact details for the EEA data protection authorities. Unfortunately, the transmission of information via the Internet is not 100% secure. If you do not want your information to be available to others, exercise caution when using public computers or devices or when using any computer or device to which users unauthorized by you may have access. For example, change your passwords often, use a combination of letters and numbers when creating passwords, and make sure you use a secure browser.
