Its heavyduty insulation will keep coffee hot for hours, allowing your large hotel or catering operation to brew large amounts of coffee ahead of time. A fastflow faucet and large cup clearance allow for rapid dispensing into a cup, decanters, and thermal carafes. The Titan TF 3 gallon insulated server is easy to use and care for, with its brewthrough lid design and integrated sight gauge assembly. This server is stainless steel lined for greater insulation and ease of cleaning. Free Shipping Shipping lead time is 15 business days.To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. The server must be placed on a sturdy counter or shelf.Replace unreadable or damaged labels.The 3 step methodDo not submerge server.Empty the serverThoroughly wash all faucet parts and lid in a mild detergent and waterSanitize the parts for five minutes, then air dry completely.Decal, Warning Hot Liquid.
